

Quality Policy

Precision Associates Inc. recognizes that the disciplines of quality, health and safety and environmental management are an integral part of our management function.

The Organization Quality policy calls for continual improvement in our Quality management activities and business will be conducted according to the following principles:

We will:

- Comply with all applicable statutory laws and statutory regulations.
- Follow a concept of continual improvement and make best use of our management resources in all Quality matters.
- Communicate our Quality objectives and our performance against these objectives throughout the organization and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and sub-contractors and others who come into contact with our work.
- Work closely with our customers and suppliers to establish the highest Quality standards.
- Adopt a forward-looking view on future business decisions, which may have Quality impacts.
- Train our staff in the needs and responsibilities of Quality management.
- Maintain an On-time delivery of 99%, a scrap rate less than 4%, and a loss comparison of at least 50%.
- Proactively embrace all practical measures that will assure a healthy and sustainable environment for ourselves and our posterity.
